Reminder of meeting and reporting requirements.

Because our budget was approved, we have received \$56,646.77 for the fiscal year for Region 14 RTC funds.

The ICN help desk is still available. Dennis is still troubleshooting for ICN rooms. We are also calling AVI several times with issues that ICN and Dennis cannot fix.

New ICN room have several issues. Justin reported that issues are varied and random. We are struggling this week to get rooms up and functioning.

Old ICN room can be successfully connected to new ICN videoconferencing rooms as well as “outside” videoconferencing rooms (at a high school, for example).

Discussed setting the meeting date in July – we are considering July 24<sup>th</sup>. The year-end report and the proposed budget will need to be approved by a quorum then.

Roundtable.

Adjournment.
